COUNTRY Financial is a financial services company based out of Bloomington, IL. We've been around since 1925 and our goal is to help you achieve financial security no matter where you're starting from. Each person has their own idea of financial security. Whether you have \$1000 or several million, we can help you define and achieve your definition of financial security. Life changes often bring changes to your overall investment and financial plan. Saving for retirement, college and overall financial planning can seem daunting. By leading with a consultative approach, my goal is to reduce the fear, confusion and complexity that often comes with this process. You have enough going on in your life. I'll make sure your plan stays on track even if your life doesn't.
