## Event Description and Details

Each participating restaurant/business is required to begin set up beginning at 3:00 pm - event opens to the public at 5:00 pm and ends at 7:30 pm. We anticipate 300-400 attendees throughout the evening. Please prepare enough to serve a SMALL "sampling" size portion for 300-400 guests. No full size portions please! Select an item or items that best showcases your unique restaurant! The first participant has the first choice of food items. We are trying to make sure each participating restaurant is distributing a different item – if you select an item that has been previously selected by another restaurant, our committee will contact you to change your selection so attendees can enjoy different tastes at each booth. Please be sure to select an item that you can easily serve while maintaining appropriate food temperatures. We will arrange to have Code Enforcement inspect each restaurant booth prior to opening to the public.

We encourage you to distribute your menu/flyer/special promotion offers to attendees and collect email addresses during the event. This year we are offering an optional raffle marketing donation, with a \$25.00 minimum value. We will be selling raffle tickets for these donations. This is another way to promote your restaurant at a minimum cost to you!

If you have questions, please contact Cheryl Gosiewski or Tricia O'Brien, (847) 781-9100 or email at [Cheryl@hechamber.com](mailto:Cheryl@hechamber.com)

Thank you!
